Proclamation

Whereas, voting in the United States is one of our most important right and responsibilities as citizens; and

Whereas, the City of Fond du Lac has more than 23,000 registered voters who expect an orderly, pleasant, and convenient voting experience; and

Whereas, on November 8, 2016, Fond du Lac's citizen poll workers faithfully honored their duties as Election Officials by rendering equal service to all voters, with impartial and neutral respect to any candidate or political party; and

Whereas, the City of Fond du Lac wishes to thank its Election Officials for their fundamental role in allowing its citizens to choose their leaders freely and fairly.

Now, Therefore, I, Lee Ann Lorrigan, President of the Fond du Lac City Council, by my signature affixed, on behalf of our City and its residents, do hereby express our sincere appreciation to the 110 men and woman serving the community on Election Day for their commitment to the democratic process.

Re: Alcohol Licensing Committee Recommendation- 65 N. Main Street

On November 28, 2016, the Alcohol Licensing Committee (ALC) met to review the request for a "Class B" Intoxicating Liquor and Class "B" Fermented Malt for the applicant Bryan Perl for the property at 65 N. Main Street. The ALC recommended denial of the liquor license. The ALC's deliberations and recommendation were informed by Section 125.12, Wis. Stats. and Fond du Lac Code Section 400-6. and focused on the factors for judging new license applications outlined below. (Copies of the pertinent code sections are attached)

(a) Character of applicant, agent, managerial personnel, and owners

At the time of the ALC meeting, Mr. Perl did not have confirmed information on any of the agents that may be part of the business or managerial personnel. Mr. Perl did acknowledge at the meeting that he did not intend to be involved in the day-to-day operations and would be an "absentee owner."

- (b) Experience of applicant and manager in operating a licensed establishment &
- (c) History of applicant and manager in operation of licensed establishments

Mr. Perl currently owns and operates two other licensed establishments in Wisconsin, Saturday's Bar in Beaver Dam and Perl's at Road America (seasonal). In addition, Mr. Perl is the former operator of the Firehouse Bar & Grill (now Annie's Fountain City Café) and Perl's Country Inn in St. Peter.

In 2011, Mr. Perl was denied an intoxicating liquor license for a relocation of the Firehouse Bar & Grill after the Police Department indicated several concerns with the original Firehouse operations including: patrons being served up to closing time; complaints from neighbors; increased police patrols; illegal signage; and erecting a tent over Main Street without proper City approvals for street closures or tent installation.

Asst. Chief Klein contacted the Beaver Dam Police Department regarding the operation of Saturday's by the applicant. Beaver Dam Police Department reported several issues and concerns related to the operation of the business.

These are outlined in attached police department memos.

(d) History of premises

The property at 65 N. Main Street was formerly JRs Bar & Grill; it has also operated in the past as Lucky's. The large size of the building, approximately 9,000 square feet, poses both opportunities and challenges. In 2006, an application for a liquor license from a different person was denied due to concerns about the size of the establishment and the ability of the police to adequately respond. A copy of the 2006 application, memos and meeting minutes is attached.

(e) Design, type, and size of the proposed establishment

The property at 65 N. Main Street is approximately 9,000 square feet in size. At the time of the ALC meeting, the applicant did not have a definitive plan or concept for the proposed establishment, such as sports bar, dance club, restaurant, etc. Subsequently, the applicant has completed a business plan. A copy of the plan is attached.

(f) Proximity to other licensed establishments

The property at 65 N. Main Street is in close proximity to Backstage Bar and Grill at 101 N. Main Street.

(g) Proximity to residential buildings or areas.

The property is adjacent second story residential units to the south and the Portland Square Apartments to the east. There is also residential to the northeast (along Merrill Avenue from Portland Street to Marquette Street). Additional housing is planned in the near future.

A Special Use Permit is required for Amplified Sound when adjacent to residential uses. At the time of the ALC meeting, it was not clear whether the applicant intended to have live bands, DJ, or similar type of amplified sound to determine whether the Special Use Permit is required. In the business plan that the applicant provided on 12/7/2016, it does say that they want to apply for a Special Use Permit for Amplified Sound and would like to have live bands.

(h) Ability of Police Department to ensure public safety at this location

Due to the size of the building, there were concerns in 2006 about the Police Department's ability to ensure public safety.

(i) Condition of building/premises

The property, formerly known as JR's, has been vacant for a period of time. The property will require an occupancy permit prior to opening the business which is issued by Building Inspection and Fire Department.

The building cannot be issued an occupancy permit at this time. The applicant's architect is working with the Chief Building Inspector to address some code violations and concerns. Depending upon the timeframe for completion of the required work items to meet building code compliance, occupancy could be granted in early 2017.

The Chief Building Inspector, Doug Hoerth, has indicated that the following are outstanding:

- *Occupancy permit is required to be obtained
- *Bring the ceiling to a Class B fire rating or better including patching all the openings
- *Provide a letter from the Architect to verify the structure is sound. The concern is a several cracked attic trusses, a homemade hanger fix on the Southwest side of the building and the wall on the southeast end of the building is leaning out.
- *Correct all the electrical issues such as open electrical boxes, etc.
- *Clean and inspect the kitchen hood

The fire inspector also has conditions that need to be resolved before an occupancy permit can be issued. A copy of his report is attached.

(j) Compatibility of proposed use with neighborhood

At the time of the ALC meeting, the applicant did not have a definitive plan or concept for the proposed establishment, such as sports bar, dance club, restaurant, etc. The ALC was unable to determine if the use was compatible with the neighborhood.

The applicant has now supplied a business plan that indicates it will primarily be a restaurant, though they do want a special use permit for amplified music and to host live music, which implies a dance club.

(k) Zoning and land use considerations

The property at 65 N. Main Street is located within the C-1 Zoning District. The C-1 Zoning Districts accommodates a variety of retail and entertainment uses. However, there are a small number of uses that fall within the entertainment area that are either not permitted within the C-1 Zoning District or require a Special Use Permit.

Staff prefers to work with a property owner in advance of their proposed occupancy as it relates to their proposed use than try to obtain compliance after a business has opened in cases where the actual use is not consistent with the C-1 Zoning.

At the time of the ALC meeting, there was insufficient information to determine compliance with zoning requirements. Based on the business plan that was received on 12/2/16, the proposed establishment appears consistent with zoning regulations for C-1.

(1) Likely impact on property values & (m) Economic development considerations

A vacant building that has minimal reinvestment can have a negative impact on property value. However, an occupied building that creates a nuisance can also negatively impact property values. The ALC was unable to make a determination of a positive impact on property values or economic development given the lack of information on managerial personnel as well as a definitive concept for the property.

(n) Other considerations

In conversations with the applicant prior to the ALC meeting and at the ALC meeting, staff asked the applicant if he would defer his application to the next meeting to allow time to refine his concept, provide additional details and work with staff so that staff could support the application for the intoxicating liquor license. Mr. Perl opted not to defer and requested the ALC move forward with their deliberation.

Prior City Councils have denied a liquor license request to this applicant in 2011 and denied a liquor license to the premises in 2006. The documents from these prior denials are attached.

Memo

To: City Manager Moore

From: Chief Lamb

Date: 11-22-16

Re: Proposed Class B Combination License for 65 N Main Pub LLC. 65 N. Main

Street

On November 22, 2016, Assistant Chief Klein, Building Inspector Doug Hoerth representing Community Development, and Amy Hansen from the DFP met with the listed applicant Bryan Perl who is seeking the requested license to open a bar at 65 N. Main Street which is the former sight of JR's Sports Bar and Grill.

Mr. Perl currently owns and operates two other licensed establishments in Wisconsin, Saturday's Bar in Beaver Dam and Perl's at Road America which is a seasonal operation. Mr. Perl stated that he was looking for an opportunity to expand his business to the Fond du Lac area. Mr. Perl has purchased the building at 65 N Main Street and has already been working on sanding the hardwood floors and updating the painting throughout the building.

Mr. Perl stated that he plans to move slowly with the proposed business, starting out with a smaller menu of sandwiches and pizza. He talked about possibly bringing in live bands and providing a dance floor for entertainment. He also talked about the possibility of creating an Ale House theme with a large variety of tap beers. Mr. Perl stated that initially he plans on being open Wednesday thru Sunday from 2p.m. to closing time. The lack of a specific plan for this establishment does create concern on how their potential operations will impact the City and police resources.

Mr. Perl was asked how he would characterize his working relationship with the Beaver Dam Police Department and he stated that it was a good working relationship. He stated that he did receive some demerit points last year for a person who was underage that came into his bar allegedly with a fake ID. He stated he worked with Police and the City Attorney's office in Beaver Dam and did get his demerit points back. He stated that his license has never been suspended or not renewed.

In talking with Deputy Chief Dan Schubert of the Beaver Dam Police Department, he stated that their Department has had a rocky relationship with Perl's operations in their city. He characterized Mr. Perl as an absentee owner and that Mr. Perl opened his Beaver Dam operation as a dance and night club where they brought in outside entertainment acts. Deputy Chief Schubert was able to provide me with a list of the demerit points on their record.

Mr. Perl will serve as the licensed agent for this location and has 17 years of experience in owning or managing licensed establishments including the former Fire House Bar in Fond du Lac which was located at 72 S Main St. at the time. Mr. Perl did apply for an alcohol license in February 2011 in which a number of concerns were raised at the time (see memo dated 02-14-2011) which would still apply today. Assistant Chief Klein discussed with the applicant the City's expectations of being a license holder and the importance of being a "good neighbor."

Background checks were performed on Mr. Perl, both in-house and NCIC/CIB, while there is nothing in his background that would preclude him from obtaining the requested license, staff would recommend denial based upon the concerns noted.

Memo

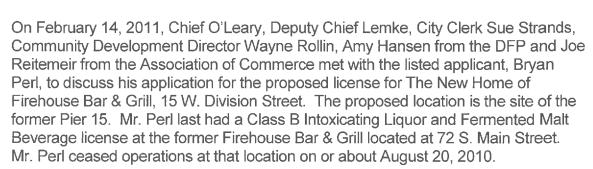

To: City Manager Herre

From: Chief Barthuly

Date: 02-14-2011

Re: Proposed Class B Intoxicating Liquor and Fermented Malt Beverage

New Home of Firehouse Bar & Grill, LLC, 15 W. Division Street

Mr. Perl's plans for this location include a bar, restaurant, area for pool and darts, and a dance floor. Mr. Perl intends to remove the existing bar and floor surrounding the bar and replace with a new floor and bar. Mr. Perl believes it will take three months to do the remodeling.

Mr. Perl currently owns and operates Perl's Country Inn in St. Peter. Mr. Perl said he would personally manage the facility at 15 W. Division Street.

Staff discussed with the applicant the City's grave concerns if applicant is granted a license. Concerns include:

Closing time issues with patrons being served right up to closing time.

Problems in rear alley from patrons smoking, urinating, vomiting and littering.

Complaints from neighbors about noise including a trash fire at the rear entrance that was not called in to public safety.

Police having to increase patrols in area.

Illegal sign installed on outside of building in violation of code.

Mislead City Staff on Halloween Dance in which a tent was erected over Main Street.

No water available to a urinal for over a week and half.

Civil disagreements between Mr. Perl and the owner of the building at 72 S. Main Street when Mr. Perl ceased operations. This caused the police to have to intervene several times.

Mr. Perl appeared before the ALC on May 26, 2009. Several concerns were made to the ALC reference improper handling of alcohol at a winter festival on Lake Winnebago and renovations made at his tavern in the town of Taycheedah in violation of code. Fond du Lac Police at the time had concerns about the applicant's ability to work within the rules and codes that he must follow.

Background checks were performed on Bryan Perl, both in-house and NCIC/CIB. There is nothing in the applicant's background that would preclude him from obtaining the requested license. The Police Department and staff present at today's meeting have objections to the approval of the proposed license request and do recommend denial.

65 N Main Pub, LLC

DBA: Two Bucks Grill & Ale House

65 North Main Street

Fond du Lac, WI

Executive Summary

1. 65 N Main Pub, LLC dba Two Bucks Grill & Ale House

Two Bucks Grill & Ale House considers itself first a restaurant and then an ale house. We estimate that seventy percent (70%) of our business will be made from food sales and thirty percent (30%) will be made up of drink sales.

The property is located at 65 North Main Street, Fond du Lac, Wisconsin, formerly JR's. Two Bucks Grill & Ale House will have the exact same footprint and layout of the former JR's. All the tables, chairs, televisions, kitchen, and equipment were purchased along with the building and will be used by Two Bucks Grill & Ale House.

Bryan Perl purchased this property after it had sat vacant for many years, it is his plan and passion to bring this property back to life and become a productive building in downtown Fond du Lac.

The property was purchased by Bryan Perl and titled under the name of MFBT, LLC, in which he is a single member. MFBT, LLC will lease the premises under a triple net lease to 65 N Main Pub, LLC dba Two Bucks Grill & Ale House which Bryan Perl also is a single member.

1.1 Objectives

Two Bucks Grill & Ale House's goal is to provide downtown Fond du Lac with unique dining experience with numerous beverage options.

1.2 Menu / Ale House

- * Food: Two Bucks Grill & Ale House will open with a simplified menu, which has been attached to this Executive Summary.
- * Drinks: Two Bucks Grill & Ale House will have twelve (12) ale's on tap each being from local or regional micro-brews. The ale selection will be based on the season and customer demands. There will also be dozens of unique bottled beers and wines to be selected from.

1.3 Keys to Success

The keys to success are to start simple and grow:

- In the beginning, start with a simple menu and deliver on the quality of the product.
- Use smart growth business planning.
- Expand the menu options as customer demand requires.
- Expand days per week open as customer demand requires.
- Expand hours open per day as customer demand requires.

1.4 Pricing

The prices will be comparable with similar eating establishments in the community (Backyard, Fat Joe's, etc.). We will offer nightly specials and Happy Hours similar to other establishments in the community.

1.5 Hours of Operation

Hours will be Wednesday through Saturday 2:00 p.m. to 2 a.m. The hours of operation may expand depending on success of the restaurant. If the restaurant is successful, then lunch service may be added and additional days may be added per week.

1.6 Public Safety/Conduct Code

Public Safety is of the utmost importance in providing our patrons a great experience. We will have a host/security on the floor at all times. We have installed a new 12 camera system for video surveillance. Inappropriate behavior will not be tolerated at any time, with a strict dress code after 9 p.m. We will also work with law enforcement to maintain the peace and if there are any issues or concerns on behalf of law enforcement, we shall take appropriate actions immediately. Every bartender is required to take a responsible beverage serving course.

1.7 Music and Bands:

We plan on applying for a amplified music permit with the City of Fond du Lac. The intent is to have a jukebox and the ability to have live band performances.

1.8 Dress Code:

For dinner services, normal everyday attire will be allowed.

After 9:00 p.m. no hats, hoodies, jerseys (except on game days) the attire is expected to be similar to the attire a person would wear to a wedding or other semi-formal gathering. The dress code shall be strictly enforced by the host/security.

1.9 Prior Code Violations:

When the property was purchased there were code violations that will need to be or have already been addressed prior to opening. We are committed to working with the City of Fond du Lac to remedy these code violations prior to opening our doors.

1.10 Parking:

There is one City of Fond du Lac parking lot adjacent to the premises that will be utilized by the patrons. The property was previously used in a similar capacity and parking was satisfactory to the patrons and City leaders then and will be again in the future.

1.11 Permits:

Two Bucks Grill & Ale House have received the following permits:

- Certified Food Manager License
- Health Inspection
- Fire Protection/Certified by JF. Ahern Fire Protection

2. Company Ownership and Structure

- 2.1 Owner: 65 N Main Pub, LLC dba Two Bucks Grill & Ale House is a single member limited liability company organized under the laws of the State of Wisconsin. Bryan Perl is the single member of the limited liability company. A copy of the Articles of Incorporation and Operating Agreement are attached to this Executive Summary.
- 2.2 General Manager: This person will oversee the day to day operations and have meetings weekly with Bryan Perl. Bryan Perl shall act as general manager until such a time when one can be hired that is acceptable by him. At the time a new general manager is hired a transfer of agent will be filed with the City of Fond du Lac to make the general manager the agent. The General Manager will directly oversee the food preparation and bar staff. This person shall also be responsible for enforcement of the rules and policies of the organization.
- **2.3 Chef:** The Chef shall oversee the food preparation and wait staff. The duties of the Chef shall include ordering and maintaining of the fully functional kitchen and wait staff. The Chef shall report directly to the General Manager.
- **2.4 Bar Manager:** The Bar Manager shall oversee the bartenders. The Bar Manager's duties shall include ordering and maintaining the fully functional bar and staffing of it. The Bar Manager shall report directly to the General Manager.
- **2.5 Employees:** We will have a staff of approximately nine (9) employees (not including the managers) in the beginning. If additional staff is required, we will always maintain the proper staffing levels at all times.

3. Marketing Strategy

The marketing strategy will be a combination of local media (radio and print) along with social media (Facebook, Twitter, etc.).

4. Financial Plan

Two Bucks Grill & Ale House is not dependent on conventional funding to start up or operate. This means that growth can be achieved quicker and easier than other organizations that are more dependent on debt service rather than customer service.

5. Prior History

Bryan Perl has been in food and drink industry for almost twenty-years having previously owned the Black Perl Restaurant & Hall of St. Peter and Fisherman's Cove and several other bars throughout the area. He is excited at the opportunity to bring his passion to downtown Fond du Lac.

Mistakes have been made in the past which can be discussed at length, but in each instance Bryan Perl has not run away from the issues, he will openly and honestly discuss them. Any demerit points issued were remedied and no restaurant or bar that he has owned has ever had their liquor licenses revoked. Attached to this Executive Summary is an explanation to the concerns raised by the Fond du Lac City Police.

COMMERCIAL LEASE

AGREEMENT, made this 1st day of December 1, 2016, by and between, MFBT, LLC by agent Bryan Perl, ("Landlord") and 65 N Main Pub, LLC dba Two Bucks Grill & Ale House by agent Bryan Perl ("Tenant").

EXPLANATION OF AGREEMENT

The Landlord desires to lease to the Tenant and the Tenant desires to lease from the Landlord part of the property generally known as 65 North Main Street, Fond du Lac, Wisconsin, on the terms and conditions set forth in this agreement. That is the purpose of this agreement.

AGREEMENT

NOW, THEREFORE, IT IS AGREED:

- 1. <u>LEASE</u>: The Landlord hereby leases to the Tenants and the Tenants hereby lease from the Landlord the property located at 65 North Main Street, Fond du Lac, Wisconsin. The property has been improved as a bar and restaurant building and parking lot, which are included in this lease as part of the property. Tenant has inspected same and, by the execution of this agreement, accepts the property in its present condition, subject to the improvements agreed upon herein.
- 2. **TERM**: The term of this lease shall be for a period of five years, beginning on the first day of December 1, 2016, and ending on November 30, 2021.
- 3. **RENT**: The rent for this lease shall be Three-Thousand Five Hundred Dollars \$3,500.00 per month. Rent shall be paid in advance on the first day of each month during the term of the lease, with the first payment due on January 1, 2017.
- 4. **SECURITY DEPOSIT**: Security Deposit will be equal to one month's rent which will be due January 1, 2017, along with the first month's rent.
- 5. <u>UTILITIES</u>: Tenant shall pay all utilities including heat, electricity and water.

6. **RESPONSIBILITY OF PARTIES**: The parties to this agreement shall have the following responsibilities:

WE ASSIGNED YOU AN EMPLOYER IDENTIFICATION NUMBER

Thank you for applying for an Employer Identification Number (EIN). We assigned you EIN 81-4295632. This EIN will identify you, your business accounts, tax returns, and documents, even if you have no employees. Please keep this notice in your permanent records.

When filing tax documents, payments, and related correspondence, it is very important that you use your EIN and complete name and address exactly as shown above. Any variation may cause a delay in processing, result in incorrect information in your account, or even cause you to be assigned more than one EIN. If the information is not correct as shown above, please make the correction using the attached tear off stub and return it to us.

A limited liability company (LLC) may file Form 8832, Entity Classification Election, and elect to be classified as an association taxable as a corporation. If the LLC is eligible to be treated as a corporation that meets certain tests and it will be electing S corporation status, it must timely file Form 2553, Election by a Small Business Corporation. The LLC will be treated as a corporation as of the effective date of the S corporation election and does not need to file Form 8832.

To obtain tax forms and publications, including those referenced in this notice, visit our Web site at www.irs.gov. If you do not have access to the Internet, call 1-800-829-3676 (TTY/TDD 1-800-829-4059) or visit your local IRS office.

IMPORTANT REMINDERS:

- * Keep a copy of this notice in your permanent records. This notice is issued only one time and the IRS will not be able to generate a duplicate copy for you. You may give a copy of this document to anyone asking for proof of your EIN.
- * Use this EIN and your name exactly as they appear at the top of this notice on all your federal tax forms.
- * Refer to this EIN on your tax-related correspondence and documents.

If you have questions about your EIN, you can call us at the phone number or write to us at the address shown at the top of this notice. If you write, please tear off the stub at the bottom of this notice and send it along with your letter. If you do not need to write us, do not complete and return the stub.

Your name control associated with this EIN is MFBT. You will need to provide this information, along with your EIN, if you file your returns electronically.

Thank you for your cooperation.

Re: Legal Guidance on Alcohol Licensing

The City Council has broad discretion in determining whether or not to grant a new alcohol license. A good discussion of this discretion is covered in a League of Wisconsin Municipalities article, "Municipal Licensing and Regulation of Alcoholic Beverages," a portion of which is set forth below:

Municipal governing bodies have broad discretion regarding whether to issue a license to a particular applicant for a particular location. The courts have held that state law does not confer upon a qualified applicant an absolute right to a license. If a governing body conducts a proper review of the application, considers public sentiment and local concerns, and has a rational basis for denial, the courts will likely not interfere with the municipality's decision to deny. When a governing body decides not to issue a new alcohol beverage license it must notify the applicant in writing and set forth the reasons for the denial. Valid reasons for denial of a retail license are based on concern for the public health, safety, and welfare of the community. Possible reasons for denial include:

- 1. adverse impact on traffic;
- 2. adverse impact on the peace, quiet and cleanliness of the neighborhood where the establishment is located;
- 3. insufficient parking for patrons;
- 4. proximity to other licensed establishments, residential areas, schools, churches, or hospitals;
- 5. ability or inability of the police to provide law enforcement services to the new establishment and the impact of the new establishment on the ability of the police to provide law enforcement services to the balance of the community at all times.

Once a license has been issued, however, a municipality may only refuse to renew the license if there are violations of chapter 125 or local regulations enacted under the authority of sec. 125.10 or violations that fit within the causes identified in sec. 125.12(2)(ag). A municipality

that decides not to renew a license must follow the procedure set forth in sec. 125.12(3) and notify the licensee in writing that it intends not to renew the license and state the reasons why. The municipality has to provide the licensee with an opportunity for a hearing.

A motion to approve or grant the license, if carried, grants the license. If the motion to approve is defeated, the license is denied.

If it is Council's judgement to approve, the approval could be made with appropriate conditions, like completing all necessary repair work and not operating as a dance club, for example.

A motion to deny, if carried, also is a denial of the license. However, a motion to deny which does not carry is not the equivalent of an approval. In the event a motion to deny does not carry, a motion to approve would be appropriate.

If it is Council's judgment to deny, it should be done applying the concepts described above. Specific facts and circumstances should be considered and a record made. An example of a motion to deny which comports to these standards is as follows:

"I move that the application for the alcohol license be denied because it is against the public health, safety and welfare of the City for the reasons previously discussed at this meeting and for the reasons outlined in the supporting memos contained in the agenda packet; and that the City Clerk notify the applicant in writing of this decision to deny their application and the reasons for this decision."

If the application is denied by the City Council, such denial may be appealed to the Circuit Court. The applicant may also reapply for license at any time.

Please call if you have any questions on any of this.

- **C. Alcohol Licensing Committee.** There is hereby created an Alcohol Licensing Committee, which shall be advisory to the City Council and shall review all applications for new licenses as well as all disciplinary procedures and issues as to whether a licensee has abandoned the licensed business within the meaning of § 400-9B. ...
- D. Applications for new licenses. The Alcohol Licensing Committee and the City Council shall consider a number of factors in reviewing and judging the adequacy of applications, including but not limited to the character, background, and experience of the applicant; the nature of the proposed use; the condition of the building; compatibility with the neighborhood; safety at the proposed location; economic development considerations; zoning and land use; and any other factor that the Committee or the Council finds germane to the proposal. Without limiting the generality of the forgoing, applications for new liquor licenses shall include consideration of the factors below. Appropriate City staff shall include the City Manager, the Community Development Department, the City Clerk's office, the City Attorney's office and other staff as deemed necessary or desirable. It is not necessary that all of the foregoing participate in any particular recommendation. Rather, it is the intent that the makeup of staff involved be flexible to meet the needs of the particular situation. The Committee shall take the recommendation and the factors into account and formulate a recommendation to the City Council.[4]
- (1) Factors for judging new license applications:
- (a) Character of applicant, agent, managerial personnel, and owners.
- (b) Experience of applicant and manager in operating a licensed establishment.
- (c) History of applicant and manager in operation of licensed establishments.
- (d) History of premises.
- (e) Design, type, and size of the proposed establishment.
- (f) Proximity to other licensed establishments.
- (g) Proximity to residential buildings or areas.
- (h) Ability of Police Department to ensure public safety at this location.
- (i) Condition of building/premises.
- (j) Compatibility of proposed use with neighborhood.
- (k) Zoning and land use considerations.
- (I) Likely impact on property values.
- (m) Economic development considerations.
- (n) Other considerations.

CITY OF FOND DU LAC - Memorandum

Department of Community Development

Date:

December 6, 2006

To:

Tom Herre, City Manager

From:

Wayne Rollin, Community Development Director

Re:

Liquor License Application - Paul's Pub's

We have an application for a liquor license application from Paul Salzwedel of Paul's Pubs, Inc. to reopen the premises formerly known as Lucky's at 65 North Main Street. Salzwedel does not own or operate a club in Fond du Lac, but has extensive experience in the industry, presently operating four establishments in towns to the west and southwest.

Salzwedel proposes to open a club at the former Lucky's location which is substantially similar to Lucky's. It would offer about the same environment that Lucky's did. In spite of proactive work by the Police Department and by the owner of Lucky's, that establishment caused a fair amount of trouble in downtown Fond du Lac, primarily due to its large size. Lucky's had a capacity of 384 patrons. When such a large number of patrons would exit the establishment at bar time, it would cause great strain on available Police resources. Fights, vandalism, and other similar problems were common. A number of Officers had to be assigned to this location on Thursday, Friday, and Saturday evenings on a regular basis. Nothing in the present proposal would address this issue. The establishment would still be too big for our Police Department to handle while carrying out their other responsibilities at the same time.

I recommend denial of the application at the present capacity of the facility.

The situation might be different if Salzwedel and the building owner could find a way to substantially reduce the capacity of the establishment. Adding permanent seating areas, more restaurant space, or properly constructed billiards areas, for example, could reduce the capacity of the establishment and reduce the problems presented at closing time. Getting the capacity down to 275 or less would perhaps help to address the problem.

Re:

Proposed Class B Fermented Malt Beverage & Intoxicating Liquor

Tall Paul's, 65 N Main St.

Mr. Salzwedel stated he currently owns taverns in Fairwater, Kingston, Waupun, and Manchester and that he is interested in opening an operation in Fond du Lac. Mr. Salzwedel stated that neither he nor the general manager of the proposed site would reside in the Fond du Lac community, but that he would put a "key person" in place that does reside within the city. Mr. Salzwedel expressed that he would work closely with the city to address any concerns that may come up.

Mr. Salzwedel stated he would keep the general floor design the same as the former Lucky's and would operate in a similar manner. He stated that he would offer food, pool and dart leagues, live band entertainment and television viewing for sporting events.

The Police Department has expended large amounts of police resources at this location in the past. Officers had to be assigned outside the tavern every weekend night to keep the peace with the large volume of people leaving the establishment at bar time. Night shift commanders report this did have a negative impact on the Police Department to provide law enforcement services to the community. Since the close of business in May of this year at 65 N. Main Street, night shift commanders have reported a significant decrease in the amount of manpower hours devoted to this area. This has allowed them to focus their community policing efforts in other areas of the city.

Background checks were conducted on Mr. Salzwedel and nothing of significance was noted in his background. Members of the Fond du Lac County Law Enforcement Executives Committee expressed some concerns regarding the operation of Mr. Salzwedel's tavems in their jurisdictions. We do feel the proposal would negatively impact the ability of the Police Department to provide law enforcement services to the community. Based upon the concerns noted, the Police Department does have objections to approval of this license request.

CITY OF FOND DU LAC - Memorandum

Engineering and Traffic Division

Date: November 11, 2016

To: Advisory Parking and Traffic Board

From: Paul De Vries, P.E., City Engineer

Re: Request to add parking restriction on Prairie Road at the

intersection with Mariearl Lane

This memo and Exhibit "B" covers agenda item listed as "B" for the Advisory Parking & Traffic Board's November 17, 2016 meeting:

Request to <u>add</u> parking restrictions "Parking Prohibited at All Times" in accordance with Code of Ordinances Section 630-6 and Section 630-39, Schedule "E".

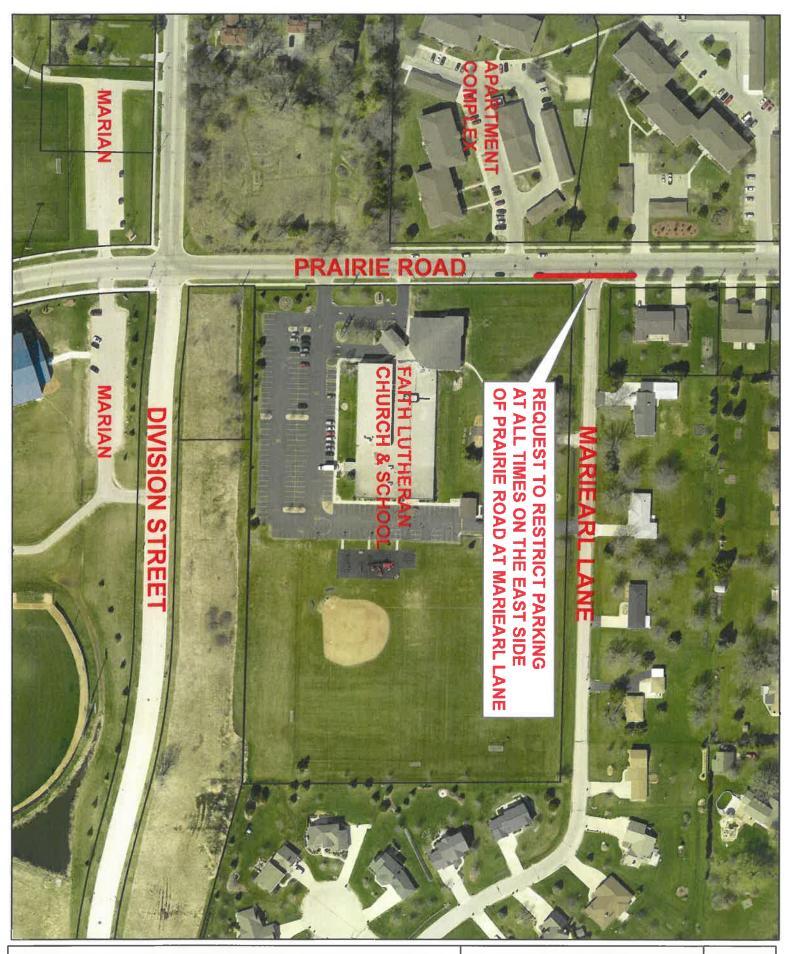

Location: Prairie Road, East Side; From a point 60' south of the south right-of-way of Mariearl Lane, north 170'.

The City Engineer initiated this request after inquiries from an adjacent school and nearby property owners. In my review of the area, there are not any existing parking restrictions on Prairie Road or Mariearl Lane. The concern is vehicles are parking on Prairie Road close to Mariearl Lane and limiting the visibility for those trying to turn onto Prairie Road. The vehicles likely belong to renters of apartments on the west side of Prairie Road. At various times of the day, there are 15-20 vehicles parked on both sides of Prairie Road near Mariearl Lane and unfortunately, they have chosen to park right up to the south side of Mariearl Lane, creating the vision problem. Prairie Road has a steady volume of cars during AM peak times with all the area schools, including Woodworth Middle School, Marian University, Faith Lutheran School (K-8), MPTC, UW-FDL, and Fondy High. The Police Department reported there have two reportable accidents at this intersection in the past 5 years.

The City has a Vision Triangle in our Code of Ordinances that measures 80 feet along both streets' centerlines and then the triangle completes the line of sight required to remain clear. I started with applying this vision triangle on the east side of Prairie Road and it would have removed about two stalls each north and

south. However, given the heavier northbound traffic and observed speeds during the AM, I am proposing to extend the no parking one more stall for a total of about 60' to increase the visibility. This will match the open vision to the north due to a driveway acting as a pseudo no parking zone. The loss of these five stalls is easily made up by parking either further south or north or possibly on the west side, all of which looked to have ample room without the likelihood of creating parking or visibility problems.

The Engineering and Traffic Division supports this no parking request.

CITY OF FOND DU LAC - Memorandum

Engineering and Traffic Division

Date: November 11, 2016

To: Advisory Parking and Traffic Board

From: Paul De Vries, P.E., City Engineer

Re: Request to add a Loading Zone on Forest Avenue for National

Exchange Bank and Trust

This memo and Exhibit "C" covers agenda item listed as "C" for the Advisory Parking & Traffic Board's November 17, 2016 meeting:

Request to <u>add</u> parking restrictions "No Parking except for Authorized Vehicles" in accordance with Code of Ordinances Section 630-9, A(1). "No person shall park a motor vehicle in any loading zone as listed in Schedule H" and in accordance with Section 630-42, Schedule H, Loading Zones.

Location: Forest Avenue; South side; From a point 50 feet west of the west right of way of South Main Street west 20 feet.

National Exchange Bank & Trust, at 10 Forest Avenue, initiated this request. At the September meeting, the APTB tabled this item to allow for further research and available options. Additional information obtained from the bank outlines that using the alleyway has not been an option due to traffic from other buildings, including apartments. The bank has also pursued a parking spot in the private lot north of Forest Avenue but has learned there is currently a waiting list for the spots. Lastly, the vehicles that will use this loading zone are standard size vehicles for their couriers and maintenance staff. The bank fleet currently includes a compact car, minivan, and an SUV and when those are not available, an employee's personal vehicle is used. Larger single unit trucks, like UPS and FedEx, are not used for this courier service. The bank asks for reconsideration and approval of this loading zone.

The Engineering and Traffic Division does not object to adding this loading zone.
