CITY OF FOND DU LAC - Memorandum

Department of Public Works

Date: February 26, 2024

To: Advisory Park Board

From: Paul De Vries, P.E., Director of Public Works

Re: **MPO Bicycle & Pedestrian Plan**

The City has been working with East Central Wisconsin Regional Planning Commission (ECWRPC) staff on the Fond du Lac Metropolitan Planning Organization's (MPO) Bicycle & Pedestrian Plan. The final draft is complete and has been made available to the public for final comments. ECWRPC staff will present the plan at the APB's February meeting. Here is a link to the website:

<https://ecwrpc.mysocialpinpoint.com/fond-du-lac-mpo-bike-ped-plan/>

One technical note is that this plan is for the entire Fond du Lac MPO and not just the City of Fond du Lac. As such, approval of this plan will be at upcoming MPO meetings, so no official approval is needed from the APB, but feedback is desired.

If you have any questions or comments, please reach out to me at 920-322-3473 or John at 920-322-3592.
