CITY OF FOND DU LAC - Memorandum

Engineering and Traffic Division

Date: September 19, 2024

To: Advisory Parking and Traffic Board

From: Christopher Johnson, P.E., City Engineer

Re: Request to add parking restrictions along S Military Road

This memo and Exhibit “A” covers agenda item listed as “A” for the Advisory Parking & Traffic Board’s September 19, 2024 meeting:

Request to add parking restriction “No Parking Zones” in accordance with Code of Ordinances Section 630-39, Schedule E.

Location: Military Road, South, North Side from a point 175-feet west of the west curbline of South Hickory Street west 60 feet.

City Engineering has initiated this request. The City of Fond du Lac is currently reconstructing S. Military Road from the S Hickory Street intersection to just east of the railroad tracks. The current left turn lane on eastbound S. Military Road to northbound S. Hickory Street is shorter than is normally constructed. The additional parking restrictions along S. Military Road will allow the left turn lane to be constructed to traffic standards.

The Engineering and Traffic Division does support the addition of the parking restrictions along S. Military Road.
