CITY OF FOND DU LAC - Memorandum

Engineering and Traffic Division

Date: October 17, 2024

To: Advisory Parking and Traffic Board

From: Christopher Johnson, P.E., City Engineer

Re: **Request to add parking restrictions along W Arndt Street**

This memo and Exhibit “A” covers agenda item listed as “A” for the Advisory Parking & Traffic Board’s October 17, 2024 meeting:

Request to add parking restriction “No Parking Zones” in accordance with Code of Ordinances Section 630-39, Schedule E.

Location: Arndt Street, West, North Side from the east bank of the Fond du Lac River east 270 feet.

Sadoff Iron & Metal initiated this request. As outlined in the request, outside truck haulers are parking on the north side of W. Arndt Street just east of Satterlee Street. This is creating a safety concern for drivers as the trucks are blocking the visibility of the existing stop sign along W. Arndt Street. The addition of the parking restrictions would allow visibility of the existing stop sign and increase safety of motorists and pedestrians in the area.

The Engineering and Traffic Division does support the addition of the parking restrictions along W. Arndt Street.
